Every effort is taken to ensure that the information on this website (www.travelportal.info) is both accurate and complete. We cannot guarantee uninterrupted access to this website, or the sites to which it links. The information on this website is provided 'as is' without warranty of any kind. The entire risk as to the results and the performance of the information is assumed by the user, and in no event shall Travelportal.info be liable for any consequential, incidental or direct damages suffered in the course of using the information on this website or using information on websites to which it links.

Privacy

This web site does not automatically capture or store personal information, other than logging the user's IP address and session info such as the duration of the visit and the type of browser used. This is recognised by the Web server and is only used for system administration and to provide statistics which are used to evaluate use of the site. We do not use cookies for collecting user information from the site.

Sending information to our site

You may be asked for personal information if you want to post a message on our forum or if you want to react to a website. If you do not want to disclose personal information, use a nickname instead. In each case we will only use the personal information you provide to give feedback or answer your questions. The information you submit will be treated in the strictest confidence.

However, we cannot guarantee the security of the global internet/email systems. This means that it is possible (although unlikely) that your enquiry/message and our response may be read by someone other than yourself or ourselves.

Toolbar Website Preview & Links

Travelportal.info is not affiliated with or endorsed by the websites it links to (unless explicitly stated otherwise). When you follow a link on a page, you will see the Travelportal.info Toolbar in the top frame and a *preview of the website* you want to visit in the lower frame.

- ? If you want to drop the toolbar and go directly to the website, press "close toolbar".
- ? If you encounter a 404-error or if you are presented with other content or a website other than described in the summary, press "report deadlink". The editors will change, restore or remove the link as soon as possible.
- ? If you want to view the summary of the website displayed in the lower frame or want to read or write comments about the website, press "summary & comments"
- ? If you want to go to the parent page of the link, press "parent page"
